Praise God that it is Jesus' desire to rescue all who come to repentance. →	Pray that all Brethren will comprehend the beauty of the freedom and restoration of Christ and seek His power to free others who have not yet →	come to know Him. Pray that all Brethren worship will be filled with joy and life giving strength celebrating Jesus' wondrous deliverance	1 Early this year, open our hearts and minds that we may see and lay aside every weight and sin that so easily ensnares us. As we repent from all that is impure, transform our lives with the power You have promised us.	2 Father, we pray that in 2008, we will see You do things You have never done before. We pray for You to pour out Your unusual favor upon us, Your church and this nation. We pray for showers of blessing.
3 As you worship, pray for maturity of people in your church. That any who are spiritual babies desiring only milk will be transformed by the power of God's Word. Study, prayer, relationship.	4 Father, we pray that You will make us aware of anything impure in our lives. We pray for Your anointing to remove any strongholds in our life keeping us from a growth relationship with You.	5 Father, we pray You will look with favor upon this nation. We intercede in prayer for our leaders. May You touch them in some way that they are drawn to seek wisdom and guidance from You.	6 Lord, we pray for those among us who need healing of the body. Hear our prayers when we call upon You.. We claim the promise of healing Jesus demonstrated when He was here on earth.	7 Lord, we look with concern upon those among us who need spiritual healing. Holy Spirit, awaken them to their spiritual need. Give us the right words and action to reach them.	8 Pray this prayer of transformation. Lord, create in me a clean heart. Help me to change the things I don't want to change. Align the desires of my heart with the desires of Your heart.	9 Jesus, the thought strikes me how very much I need You. I am lost without You. In my helplessness, I run to the cross. In the light of Your presence, empower me. Accept my heart worship.
10 We gather together in worship, Lord. Release to us Your blessing by continuing to transform us by the renewing of our minds. Use us to begin the renewal of America, one person at a time.	11 Father, we sense the coming of a mighty visitation of Your presence on earth. We don't know exactly when, yet we want to be prepared. Awaken our hunger to know You fully	12 Lord, we are excited to see You building a mighty army of prayer warriors within our churches. We pray You will continue to call more Brethren to a deeper place of prayer/intimacy.	13 Our prayers to our Lord need not be filled with <u>our</u> words from start to finish. May we also include time of silence for God to use to speak to us in His own way. Lord, Your wisdom we desire.	14 There is likely someone reading this today who is totally frustrated by events and circumstances... emotionally exhausted. Holy Spirit, intercede in prayer to our Father.	15 Father, with You all is possible, thus, we pray for forgiveness and reconciliation even in those situations and those people where it seems impossible. Peace. Joy. Reconciled brothers.	16 God tells us He is our refuge and strength and ever present help in trouble. May we be quick to call on Him when problems call upon us. May we share our anxiety and concerns with Him.
17 Jesus, teach us to love one another as You loved us. (See John 13:34-35) Let Your love be a model of the kind of love we are to have for others, within the relationship of the church and for those who do not yet know You.	18 Lord, teach us to trust You even when we can't understand everything You do. In times of trouble, help us to know that You are in control. We stand in awe and worship You in humble silence. In faith!	19 Lord, when I am tired and weary and too busy to rest, take me aside and refresh me with Your presence. Let the flood of Your presence wash away lack of faith and renew me with renewed spiritual energy. All I need is You.	20 Although I may face decisions which are not clear, I will trust in You, my Lord, my God and my keeper. Oh, that I may have faith that will enable me to hear Your direction & trust what I hear. I know that all will be well.	21 Pray for anyone you know who has chosen to ignore accumulation of spiritual substance --- growth, spiritual maturity perhaps not be available at the last moment. (Matt 25:1-13) Pray for wisely chosen priorities in life.	22 Pray about growing in the spirit so that you can learn to live a Holy Spirit led lifestyle. Pray for God's direction in meeting the challenges you face in personal relationships, career and your life ministry.	23 Spiritual End of Life Seminar at Hus Encamp. Pray about our ministry to people home-bound or ill. Pray about living life to its fullest. Pray about people who are facing terminal illnesses.
24 Father, we enter Your courts with praise, worship & thanksgiving. Yes, we know You want us to minister outside the walls of the church in everyday life to a hurting and dying world invading it with Your power.	25 In James 2:14-16 You question what good is it if we claim to have faith but have no deeds. Give us a genuine heart and concern for the physical and spiritual needs of others. Orphans. Hungry. Spiritually lost. Needy.	26 Lord, I praise You for the gentle breezes. I do not know the day, yet I know it is certain that when You return, it will be with fierce winds of destruction. I pray You will find me ready if that day should be tomorrow.	27 Lord, we know all is possible with You. That You can breathe life into dry bones. We Brethren cry out to You to pour out Your spirit upon us. We love You with all our heart and pray for a spiritual breakthrough.	28 Lord, my prayer to You today is that you realign the desires of my heart with Your heart desires. Awaken me that I may clearly know Your will. That in my life which is in disarray, bring order to it. Energize!	29 Lord, show us ways to live more generously and open our eyes to needs around us. Give us compassionate hearts. Renew within us a childlike faith and show us how to minister to the hurting and hungry.
